Line of Business **Experian Marketing Services**

Department: Experian Hitwise, Global Product Development and Delivery (GPDD)

Position Title: Developer (HW-MEL-D-00410)

Report To: Manager, Software Development – Presentation Systems

Work Location: Melbourne

Experian Hitwise is our global online audience measurement and competitive intelligence product line providing insights on how over 25 million internet users interact with millions of websites daily. We work with some of the largest commercial datasets measuring petabytes of online behavior on a monthly basis, all collected via a global distributed processing platform of hundreds of servers and measurement points. Our products provide online marketers the tools to maximize campaign performance and better tactical and strategic decision making.

Hitwise GPDD is looking for Developers with a solid understanding of internet technologies, protocols and practices to join the team. The role entails being responsible for the development and maintenance of software utilities and products.

Core activities will be:

- Working within a team to design and develop solutions across the product and associated utilities
- Performing maintenance activities (bug fixes and feature updates) on the product
- Adhering to best practice for software development, including in the application of unit tests and employment of source control

Job Requirement:

- Object Oriented PHP and C++ Programming experience
- HTTP, HTML, Java Script and Ajax experience
- SQL database experience
- Unix / Linux experience
- Must be a team player
- Good written and verbal communication
- Administering Web and Database Servers
- Technical Documentation experience
- Web based research marketing

We offer successful applicants an attractive remuneration package. Interested parties should send a covering letter outlining how you meet the job requirements and a full resume to careers@au.experian.com and quote the vacancy ref. number above.

Only short-listed candidates will be contacted. All information provided by the applicant will be treated in strict confidence and used for recruitment purposes only. For more company details, please visit www.experian.com.au

Great people, growing business
